EDUCATION

University of Illinois at Urbana-Champaign

BFA GRAPHIC DESIGN + MINOR IN COMPUTER SCIENCE | 2014-2018

Lorenzo de Medici in Florence, Italy

ITALIAN INTERNATIONAL INSTITUTE ABROAD PROGRAM | SPRING 2018

EXPERIENCE

Brittany Creative Design

FREELANCE DESIGNER | SEATTLE, WA | 2017-PRESENT

Working with multiple clients to design print ads, banners, window displays, and other promotional materials. Polishing and digitizing rough sketches of logos, letterheads, and ads. Designing and typesetting medical patient forms.

Samaritan (Tech Startup)

DESIGN AND STORYTELLING INTERN | SEATTLE, WA | SUMMER 2017

Launched a weather-effective apparel brand for unsheltered people. Created short 2-D animations for the website and mobile app. Designed and wrote copy for promo materials. Interviewed and distributed resources to unsheltered people.

Genuine Parts Company (NAPA Auto Parts)

FRONT END DEVELOPMENT INTERN | ATLANTA, GA | SUMMER 2016

Designed and built a client code base for a web application that improved the company's billing processes. Gave a detailed presentation of the application to the CFO and other corporate leaders.

PASSION PROJECTS

Ladyfinger

SHORT FILM | FLORENCE, ITALY | SPRING 2018

Co-directed, co-filmed, and edited a short film with a team of film students who were studying abroad in Italy.

Out of Body

VIDEO GAME | 2016-PRESENT

Working with a team as the lead artist, concept designer, animator, and narrative developer for a computer-based adventure game. Inspired by classics like *Day of the Tentacle*, *Fate of Atlantis*, and *Sam & Max*.

I'm a multimedia designer and developer who loves video games, football (go Bills!), working out, huskies, and travel. I plan to touch all seven continents by 2022.

SKILLS

Interaction Design
UI/UX Research + Design
Frontend Development
